

Letter T, D loop/stem 4 or more times the middle zone height: often has an “I’ll show them” attitude—spurs them on to achievement (contradicting and/or supporting aspects must always be considered, as with all personality traits), may be successful in career.

(-) vanity, possibly arrogant, superiority complex, insecure, poor self-image, avoid taking responsibility for their life, may lack integrity, self-centered, over-sells abilities and accomplishments, huge emotional needs—nobody can meet their demands, fears rejection, need to be told they are loved, wants to impress others, overly-inflated ego.

total, do

Letter T loop broad: sensitivity provides some compassion—(if loops are not too large and the loops come all the way back to the baseline), has a good feel for others, sensitive to environment, cautious.

(-) may be too sensitive, too/fearful of criticism having to do with mental self/ideas/beliefs, subconscious fear of rejection/criticism/disapproval, needs approval, huge t loops may = paranoia, too sensitive—refuses to take responsibility for events in their life—blames others, emotionally needy, insecure, may be vulnerable to flattery from those who have negative intent.

total, to

Letter T, t-bar concave, droops in the middle (most, if not all, t-bars must be this way throughout script): (-) surrender, abandons/sacrifices goals, escapist, takes easy way out, irresponsible, may lack integrity, low self-esteem, undependable, blows off important emails/phone calls, possible drug/alcohol use, feels victimized, plays the victim, t-bar sags from pressure above/outside self (abuse), feels hopeless, gives up immediately—takes the line of least resistance, has a “poor me” mentality—the victim, prefers to avoid responsibility, inability to face real issues directly, constantly giving excuses, sign of giving up, quitter, insecure, vulnerable, impressionable, may be easily walked on, yielding, lacks purpose, may be paranoid (if most are concave and especially if other aspects support paranoia).

total, to

Letter T, t-bar, convex: self-controlled, self-disciplined.

(-) may be too controlling, may be inflexible.

total, to

Letter T, t-bar, crossed beginning light/thin and ending heavy/thick: (-) temper, could be violent.

total, to
